

Connecting Your Sound Blaster EVO Zx to PlayStation 4 (USB Connection)

Upgrade Your Headset:

1. Go to **support.creative.com** to download the latest firmware with PlayStation 4 support for your SB EVO Zx headset.
2. Connect the headset to a USB port on the PlayStation 4.
3. The headset is powered on and ready for use.
4. Adjust the volume level using the volume control on the headset.
5. You can now enjoy virtual 7.1 channel surround sound with SBX Pro Studio technology.
